

Passport Seva Project

With the successful implementation of e-governance programme, Passport Seva Project, passport-related services are to be delivered to citizens in a timely, more accessible and reliable manner. At the outset, applicants seeking passport will have to fill the prescribed forms online on the Website www.passportindia.gov.in. After submission of form, suitable date is issued by the passport office. On given date, applicant will have to go at Passport Application Collection Centre, Ambala. As part of the project, initial scrutiny of the application forms, acceptance of fee, scanning of documents and taking of photographs take place at the Passport Application Collection Centre, Ambala. Personal particulars of applicants are received in the security branch of this office through online following which these Personal Particulars Form (PP Form) of applicants are sent to the concerned police station. After being verified the antecedent of applicants, Personal Particulars Forms (PP Form) are forwarded to the Regional Passport Office, Chandigarh within 18 days. Meanwhile, applicants may check the status of their passport application under head '**more services**' at the link '**track status**' given on the homepage of the above mentioned website.
